### What sets Our Cardiovascular Intensive Care Unit Apart

The Cardiovascular Intensive Care Unit (CICU) within the Oklahoma Children's Hospital Heart Center is a large volume, specialized unit providing care to pediatric heart patients. We serve as a regional referral center, caring for the most complex pediatric cardiac cases.

As a part of an academic healthcare system, our team is conducting groundbreaking research on HLHS with nationally renowned collaborators. Our heart program was the recognized as the 2021 National Hospital of the Year by Mended Hearts International.

As a CICU nurse, you will be supported by a cohesive team of physicians and APP's to provide the highest level of care for our patients. Our unit has a dedicated Cardiac Nurse Educator to provide you with the tools and training to expand your skill set.

Watch our YouTube Channel, [here](#).

### Unique Care You Will Provide

- ECMO Specialist and CRRT Technician Training
- Open Chest Patient Care
- Daily Interdisciplinary Cardiac Rounds
- Surgical Procedures at the Bedside

### About Oklahoma Children's Hospital OU Health

Oklahoma Children's Hospital OU Health is the state's only comprehensive pediatric hospital. U.S. News & World Report named us one of the Top 50 Children's Hospital for Pediatric Cardiology & Heart Surgery and Pediatric Gastroenterology & GI Surgery. We provide the state's most comprehensive level IV NICU, region's only pediatric heart center, region's only pediatric BMT & CAR-T Therapy program, state's only level IV pediatric epilepsy center and high-risk pregnancy, labor and delivery care in our hospital.
